Australian Teacher Education Association

The Australian Teacher Education Association (ATEA) Conference will be held 4 – 7 July 2010 at Rydges Townsville in Queensland.

The theme is Teacher Education for a Sustainable Future and the program will explore the following broad topic areas:

- Teacher education for environmental sustainability
- Teacher education for social sustainability
- Sustainable partnerships for teacher education
- Research for sustainable teacher education

The conference provides an ideal opportunity to catch up with colleagues from around Australia and overseas and share the knowledge and experiences of teacher education in Australia.

Important Dates

1 February 2010 – abstract submission opens

31 March 2010 – abstract submission closes

16 April 2010 – notification of acceptance into program

4 May 2010 – earlybird registration closes & deadline for papers

Sponsorship

Sponsorship opportunities exist for companies wishing to enhance their profile with the teacher education sector.

Please contact the conference managers for more information.
